# WELCOME TO THE GREATEST SHOW!

Set over three floors, the venue offers a flexible and quirky setting for your Christmas event. Trapeze has a circus themed decor and is colourful, and stylish. Our inspiration comes from one of the UK's oldest circus schools which is based very close to us in Hoxton Square – National Centre for Circus Arts. Our unique and mostly open-plan spaces can be tailored to suit your exact needs. We believe it's important to tailor your party to your exact requirements, from the smallest touches to the more extravagant gestures. With a range of festive food and drink options, you can work alongside us to create something completely bespoke. Our amazing team will then ensure your event runs seamlessly from start to finish.

So, come and celebrate Christmas with a twist this year!

## MAIN BAR & KITCHEN

Our Main Bar vows with its glamorous circus décor, huge disco ball and versatile space. With 5 carousel booths, tables and seating it offers all the fun at the fair whilst easily being transformed to a festive fairground. Its long and spacious floor plan, allows us to provide the perfect dance floor for up to 250 guests or a Santa's grotto, pulling out all the stops.

## THE MEZZANINE

Overlooking the Main Bar and dance floor area, the Mezzanine is perfect for when you still want to be part of the action, but want to experience the real VIP treatment. # THE BASEMENT

Our basement club comes with its own private entrance, bar, toilet and cloakroom facilities. It is very much a blank canvas, making it flexible for themed events, various entertainment, different layouts, and a number of guests. It can act as a lounge area for smaller parties with our plush furniture and candle-lit tables or is perfect as a huge dancefloor for bigger groups, with a capacity of 220 guests.
