TRAPEZE
Christmas
EXTRAVAGANZA
2026

# WELCOME TO THE GREATEST SHOW!

Set over three floors, the venue offers a flexible and quirky setting for your Christmas event. Trapeze has a circus themed decor and is colourful, and stylish. Our inspiration comes from one of the UK's oldest circus schools which is based very close to us in Hoxton Square – National Centre for Circus Arts. Our unique and mostly open-plan spaces can be tailored to suit your exact needs. We believe it's important to tailor your party to your exact requirements, from the smallest touches to the more extravagant gestures. With a range of festive food and drink options, you can work alongside us to create something completely bespoke. Our amazing team will then ensure your event runs seamlessly from start to finish.

*Come and celebrate Christmas with a twist this year!*

## MAIN BAR & KITCHEN

Our Main Bar wows with its glamorous circus décor, huge disco ball and versatile space. With 5 carousel booths, tables and seating it offers all the fun at the fair whilst easily being transformed to a festive fairground. It's long and spacious floor plan, allows us to provide the perfect dance floor for up to 200 guests or a Santa's grotto, pulling out all the stops.

# THE MEZZANINE

Overlooking the Main Bar and dance floor area, the Mezzanine is perfect for when you still want to be part of the action but want to experience the real VIP treatment. With its own cocktail bar, bartender and seating area, you can create and work with the team to design the best set up that works for your event - its eccentric style will allow you and your group to stand out whilst still being part of the circus!

# THE BASEMENT

Our basement club comes with its own private entrance, bar, restrooms and cloakroom facilities. It is very much a blank canvas, making it flexible for themed events, various entertainment, different layouts including a sit-down option. It can act as a lounge area for smaller parties with our plush furniture and candle-lit tables or is perfect as a huge dancefloor for bigger groups, with a capacity of 200 guests, or up to 60 seated. The legendary sound system has already hosted world class artists and DJs.

# TESTIMONIALS

*"OMG - where do I start - it was AMAZING!! I literally cannot fault anything. Our slack channel is popping today with everyone saying it's the best Christmas party they have ever had at Dext. Georgina, the planning and organisation you did was flawless, entertainment was incredible, food was delicious and the attention to detail was second to none. Thank you to you and your team for a truly seamless, wonderful night - you have been brilliant from beginning to end and I know it's not easy with annoying EA's like me who are stressing and asking ridiculous questions."*

DEXT

*"Georgina, everyone had a fantastic time and thoroughly enjoyed themselves! The team on the ground were fabulous! Thank you for all your assistance to make the evening so successful! I'll be recommending to others."*

BROADWAY MALYAN

*"We wanted to say a huge thank you, to you and the venue team, for organising our event – we had a fantastic time! Everything was amazing and we were all well looked after. The venue did a great job of keeping us updated on our bar tab throughout the night. The two ladies performing were fantastic, as were the bar staff and the gent manning the front door. Also, please pass our thanks on to the DJ, who did a brilliant job and kept us dancing all night! Georgina, we really appreciate you arranging everything and giving such detailed instructions to the venue team. Everything went smoothly and it meant we could really relax and enjoy the night."*
